

there are lots of good looking and nice  
young men in Texas perhaps near  
by you that you may like as well as  
well or better than you do, your.

Fatter as you always have called  
and call allways call him the same  
if you choose to do so. I expect you  
would get tired of talking to me  
in a short time and wish you  
was back in Texas again. You know  
I will always believe you to be  
true as long as you do not change from  
your present ways, I have got 3 of your  
photos that the picture man gave me  
after he sent your's to you but they  
are not like you your self because I  
have seen both and I certainly know  
I am right. have you wrote to Coy  
rily, or not He met me on the streets  
the other day and begin saying one a-  
bout a dream and I did not what  
to think of it so I denied the charge.  
over
